

Car Shapes

I see a car with a rectangle (put car with rectangle up).

I see a car with a circle (put car with circle up).

I see a car with a square (put car with square up).

I see a car with a heart (put car with heart up).

I see a car with a triangle (put car with triangle up).

I see a car with an oval (put car with oval up).

I see a car with a diamond (put car with diamond up).

I see a car with a star (put car with star up).

Take all cars down. Put one car up at a time and say:

I see a car with a _____? (Give children chance to call out shape)

Repeat until all cars of been put up.
