

Five Little Carrots

Five little carrots growing in the garden
Mr. Bunny came and ate one
and then there were four.

Four little carrots growing in the garden
Mr. Bunny came and ate one
and then there were three.

Three little carrots growing in the garden
Mr. Bunny came and ate one
and then there were two.

Two little carrots growing in the garden
Mr. Bunny came and ate one
and then there was one.

One little carrot growing in the garden
Mr. Bunny came and ate one
and then there were none.
