

## Five Little Ghosts Said "Boo"

(tune: The Farmer In The Dell)

Five little ghosts said "boo" ... five little ghosts said "boo"  
five little ghosts said "boo" and then one flew away.  
Four little ghosts said "boo" ... four little ghosts said "boo"  
four little ghosts said "boo" and then one flew away.  
Three little ghosts said "boo" ... three little ghosts said "boo"  
three little ghosts said "boo" and then one flew away.  
Two little ghosts said "boo" ... two little ghosts said "boo"  
two little ghosts said "boo" and then one flew away.  
One little ghost said "boo" ... one little ghost said "boo"  
one little ghost said "boo" and then it flew away.
