

Five Little Ladybugs

Five little ladybugs munching on the leaves ...

One little ladybug said I don't feel well ... (remove one ladybug)

Mama called the doctor and the doctor said:

"No more ladybugs munching on the leaves.

Four little ladybugs munching on the leaves ...

One little ladybug said I don't feel well either ... (remove one ladybug)

Mama called the doctor and the doctor said:

"No more ladybugs munching on the leaves.

Three little ladybugs munching on the leaves ...

One little ladybug said I don't feel well either ... (remove one ladybug)

Mama called the doctor and the doctor said:

"No more ladybugs munching on the leaves.

Two little ladybugs munching on the leaves ...

One little ladybug said I don't feel well either ... (remove one ladybug)

Mama called the doctor and the doctor said:

"No more ladybugs munching on the leaves.

One little ladybug munching on the leaves ...

He said I don't feel well either ... (remove one ladybug)

Mama called the doctor and the doctor said:

"No more ladybugs munching on the leaves.
