

Five Little Shapes

(tune: Three Blind Mice)

Five little shapes

Five little shapes

Can you tell me what they are?

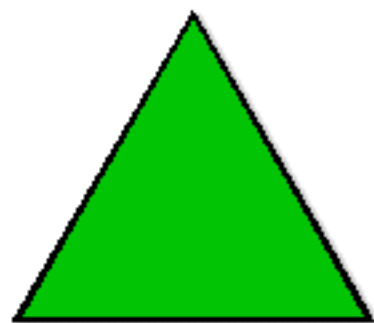

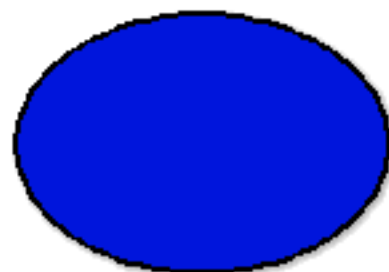

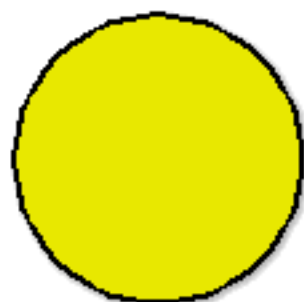

Can you tell me what they are?

There's a circle ... a rectangle ... and a star

An oval and triangle too ...

There's so many things you can make

With five little shapes.

Five Little Shapes

(tune: Three Blind Mice)

Five little shapes

Five little shapes

Can you tell me what they are?

Can you tell me what they are?

There's a circle ... a rectangle ... and a star

An oval and triangle too ...

There's so many things you can make

With five little shapes.
