

Five Little Watermelons

Five little watermelons sitting the plate.

I ate one and it tasted great (remove one watermelon from the plate)

Four little watermelons sitting on the plate

I ate another one and it tasted great (remove one watermelon from the plate)

Three little watermelons sitting on the plate

I ate another one and it tasted great (remove one watermelon from the plate)

Two little watermelons sitting on the plate

I ate another one and it tasted great (remove one watermelon from the plate)

One little watermelon sitting on the plate

I ate it and it tasted great (remove last watermelon from the plate)

No more little watermelons sitting on the plate.
