

Dear Parents:

Each Friday I will send home our classroom bear "Fuzzy" with a different student. This week is your child's turn to have Fuzzy visit your home. Fuzzy needs to be returned to our classroom no later than next week Thursday so that I can prepare him to visit the home of another child.

There is a binder which contains paper that children can use to write about their adventures with Fuzzy Bear. Children can include photos and/or draw pictures of the fun things they did with Fuzzy. You may help your child if you wish.
