

Heart Alphabet Memory Match Game

Instructions: Print two sets on cardstock. Cut out and laminate. Mix up cards and lay them face down on the ground. Children turn over two cards to find a match ... if they are not a match they get turned back over... If they are a match the pair is removed and the child gets another turn. Player with the most matching pairs wins.

For younger children you can set fewer cards down at a time for the children to find the matching pairs from.
