

Heart Number Clapping Song

Print out pattern and glue onto a paint stirring stick (you can find these for free at any place that sells paint). You can also free hand a heart and glue it onto a craft stick.

You can call out as many numbers as you wish for this song and you can do them in order or out of order.

The song is sung to the tune of "If You're Happy And You Know It".

Example:

If you see a big pink heart clap two times (hold up heart and clap two times).

If you see a big pink heart clap two times (hold up heart and clap two times)

You saw a big pink heart and you clapped two times ...

Let's do it all again.

Repeat with the numbers you choose.

To end the song instead of singing "Let's do it all again" ... sing "And now our song is done".
