

Ice Cream Cone Color Match

(Place the ice cream cones on the felt board.)

Today I'm going to make some ice cream cones ... will you help me?

I love different flavors of ice cream and I bet you do too!!

I need to match the colors of the ice cream scoops to the colors on the cone...

_____ will you put the brown ice cream scoop on the cone with the brown circle so we can make a chocolate ice cream cone? (hand child brown scoop)

_____ will you put the blue ice cream scoop on the cone with the blue circle so we can make a blueberry ice cream cone? (hand child blue scoop)

_____ will you put the yellow ice cream scoop on the cone with the yellow circle so we can make a lemon ice cream cone? (hand child yellow scoop)

_____ will you put the pink ice cream scoop on the cone with the pink circle so we can make a bubblegum ice cream cone? (hand child pink scoop)

_____ will you put the white ice cream scoop on the cone with the white circle so we can make a vanilla ice cream cone? (hand child white scoop)

_____ will you put the purple ice cream scoop on the cone with the purple circle so we can make a grape ice cream cone? (hand child purple scoop)

_____ will you put the black ice cream scoop on the cone with the black circle so we can make a licorice ice cream cone? (hand child black scoop)

_____ will you put the red ice cream scoop on the cone with the red circle so we can make a strawberry ice cream cone? (hand child red scoop)

_____ will you put the green ice cream scoop on the cone with the green circle so we can make a mint ice cream cone? (hand child green scoop)

_____ will you put the orange ice cream scoop on the cone with the orange circle so we can make a orange ice cream cone? (hand child orange scoop)

Thank you for helping me make ice cream cones today!!

(Follow up by asking children which flavors are their favorites)
