www.childcareland.com

Instructions: Print the two game board pages on paper and glue inside a file folder. Print the mitten cards and gamee tokens on cardstock paper ... cut out and laminate. Place the mitten cards face down on the game board. Children place their game token on start. Each child draws a card and moves his/her token to that letter. The first one that reaches the letter Z wins. To make it more of a challenge print two copies of the mitten cards leaving only one letter Z in the pile. Store game cards and tokens in a zip lock bag.
