

Muffin Tin Roll The Dice

Instructions: Print number circles on cardstock paper ... cut out and laminate. Place a number circle in the bottom of each muffin tin section. This activity can be done as a roll and cover or a roll and count. For a roll and cover activity children will roll the die and cover up the same number in the muffin tin. For a roll and count activity children roll the die and find the muffin tin with the same number and count the same number of items and place them in the muffin tin.
