

# Pumpkin Craft Stick Puzzle

Instructions: You will need to have seven jumbo craft sticks for each puzzle. Arrange the craft sticks so that they are all even with each other and place a piece of masking tape on each end to hold the pieces together. Turn over and glue puzzle pattern to the front. Remove masking tape. Using a box cutter slice between the craft sticks so that you have seven individual puzzle pieces. You can attach magnets to the back and use on a metal tray or cookie sheet.
