

Do You See The Scarecrow?

(tune: The Muffin Man)

Oh do you see the scarecrow ... the scarecrow ... the scarecrow
Oh do you see the scarecrow dancing in the field?

Oh yes we see the scarecrow ... the scarecrow ... the scarecrow
Oh yes we see the scarecrow dancing in the field.

He's come to chase the big black birds ... the big black birds ... the big black birds
He's come to chase the big black birds that are all in the field.
