

# Shake Your Shamrocks

Instructions: Print patterns on cardstock paper ... cut out and glue onto craft sticks ... decorate any way you wish.

This is a great activity to get children settled down for circle time. Each child gets two shamrock sticks and they can either stand (works better) or sit down and sing:

Shake ... shake ... shake your shamrocks  
Shake ... shake ... shake your shamrocks  
Shake ... shake ... shake your shamrocks  
and shake your sillys out too.

Repeat two or three times.
