

Where Is The Snowman?
(sung to Where is Thumbkin)

Where is the snowman?
Where is the snowman?
Here he is!
Here he is!
He's playing in the snow...
He's melting very slow...
Let's be his friend...
We'll be his friend!!

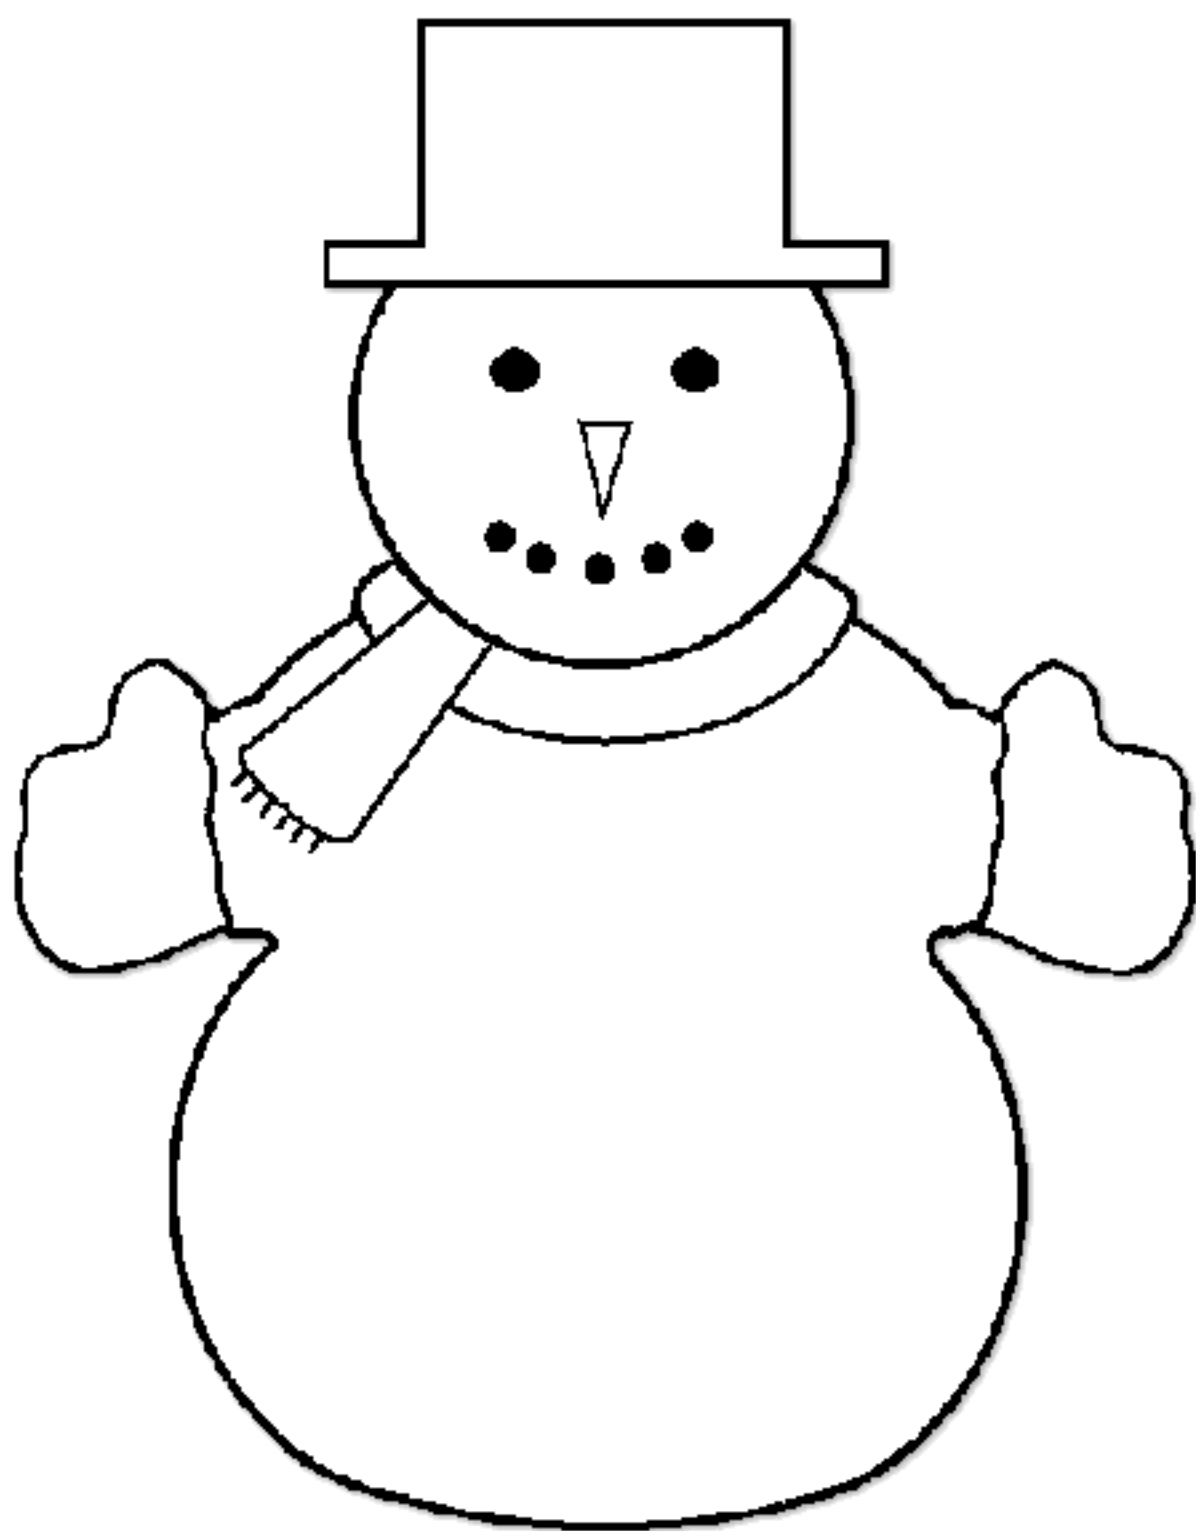

I'm A Big Snowman
(sung to I'm a little teapot)

I'm a big snowman white and round...
Here are my mittens and here is my hat.

When the sun comes out I begin to melt...
You can build me again another day.

***For this song open and close hands for mittens...
and rub head for hat.
