

Ten Little Ice Cream Cones

I have ten little ice cream cones ... can you count them with me?
(place ice cream cones on felt board counting one at a time)
1-2-3-4-5-6-7-8-9-10

I have a chocolate one (point to brown ice cream cone)...
a vanilla one (point to white ice cream cone)...
a blueberry one (point to blue ice cream cone)...
an orange one (point to orange ice cream cone)...
a mint one (point to green ice cream cone)...
a bubblegum one (point to pink ice cream cone)...
a licorice one (point to black ice cream cone)...
a strawberry one (point to red ice cream cone)...
a grape one (point to purple ice cream cone)...
and a lemon one (point to yellow ice cream cone).

I have ten little ice cream cones ... can you count them with me?
1-2-3-4-5-6-7-8-9-10.

****Extension****

Talk about children's favorite flavors.

Take different number ice cream cones off the board and ask how many there are.
