

Ten Little Shamrocks

(Tune: Ten Little Indians)

One little ... two little ... three little shamrocks ...
four little ... five little ... six little shamrocks...
seven little ... eight little ... nine little shamrocks...
ten little shamrocks growing in the grass.

Count them ... count them ... count them with me ...
count them ... count them ... count them with me ...
count them ... count them ... count them with me ...
ten little shamrocks growing in the grass.

One little ... two little ... three little shamrocks ...
four little ... five little ... six little shamrocks...
seven little ... eight little ... nine little shamrocks...
ten little shamrocks growing in the grass.
