

Which Teddy Graham Do You Like The Best?

Chocolate Chip

Chocolate

Cinnamon

Instructions: Glue graph title on the top of an 11 x 14 piece of poster board.

Using a ruler draw two lines so that there are three columns under the graph title. Glue one chocolate .. one chocolate chip ... and one cinnamon teddy graham at the top of each column. Glue the teddy graham label under each teddy graham. Put two of each kind of teddy graham in a small cups for each child. Children taste the three kinds of teddy grahams and choose which one they like the best.

Children can use a sticker ... make and X ... or write their names in the column of the teddy graham they chose. After everyone has picked their favorite count number in each column and conclude which column had the most votes.
