

Ten Little Flowers

Ten Little Flowers

Ten Little Flowers

(tune: Ten Little Indians)

One litte ... two ... little ... three little flowers
four little ... five little ... six little fowers
seven little ... eight little ... nine little flowers
ten little flowers in my garden.

Count them ... count them ... count them with me
count them ... count them ... count them with me
count them ... count them ... count them with me
count the flowers in my garden.

One litte ... two ... little ... three little flowers
four little ... five little ... six little fowers
seven little ... eight little ... nine little flowers
ten little flowers growing in my garden.
