

Ten Little Spiders

(Tune: Ten Little Indians)

One little ... two little ... three little spiders ...
four little ... five little ... six little spiders ...
seven little ... eight little ... nine little spiders ...
ten little spiders spinning their webs.

Count them ... count them ... count them with me ...
count them ... count them ... count them with me ...
count them ... count them ... count them with me ...
ten little spiders spinning their webs.

One little ... two little ... three little spiders ...
four little ... five little ... six little spiders ...
seven little ... eight little ... nine little spiders ...
ten little spiders spinning their webs.
