

Ten Little Scarecrows

(tune: Ten Little Indians)

One little ... two little ... three little scarecrows
four little ... five little ... six little scarecrows
seven little ... eight little ... nine little scarecrows
ten little scarecrows dancing in the field.

Count them ... count them ... count them with me
count them ... count them ... count them with me
count them ... count them ... count them with me
ten little scarecrows dancing in the field.

One little ... two little ... three little scarecrows
four little ... five little ... six little scarecrows
seven little ... eight little ... nine little scarecrows
ten little scarecrows dancing in the field.
