

Ten Little Sea Shells

Ten Little Sea Shells

Ten Little Sea Shells

(tune: Ten Little Indians)

One litte ... two ... little ... three little sea shells
four little ... five little ... six little sea shells
seven little ... eight little ... nine little sea shells
ten little sea shells laying in the sand.

Count them ... count them ... count them with me
count them ... count them ... count them with me
count them ... count them ... count them with me
count the sea shells laying in the sand.

One litte ... two ... little ... three little sea shells
four little ... five little ... six little sea shells
seven little ... eight little ... nine little sea shells
ten little sea shells laying in the sand.
