

# The More We Get Together

The more we get together ... together ... together  
The more we get together the happier we'll be.  
For your friends are my friends and my friends are your friends ...  
The more we get together the happier we'll be.

Second way of singing song:

The more we get together ... together ... together  
The more we get together the happier we'll be.  
There's (child's name) and (child's name) and (child's name) and (child's name)  
The more we get together the happier we'll be.
