

Letter A, Letter A, What Do You See?

Instructions: Print letters on cardstock paper ... cut out and laminate. You can attach velcro or sandpaper to the back of the letters and use them on a felt board. You can also attach the letter to craft sticks for stick puppets.

You can do the letters in order or mix them up ... do just uppercase ... just lowercase ... or a combination of them both. Start by putting the letter of your choice on the felt board or holding up the stick puppet and say:

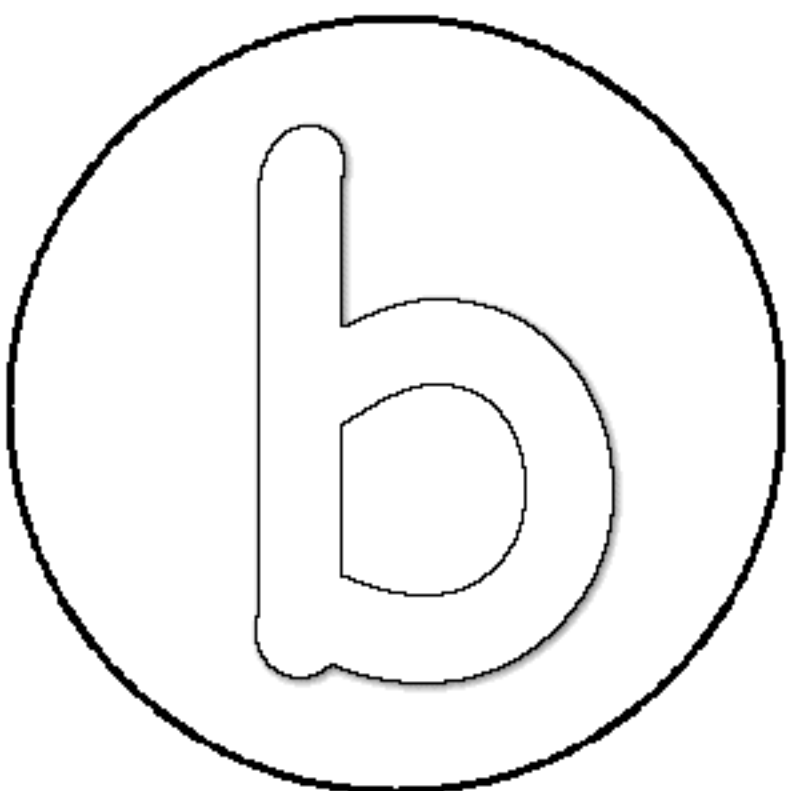

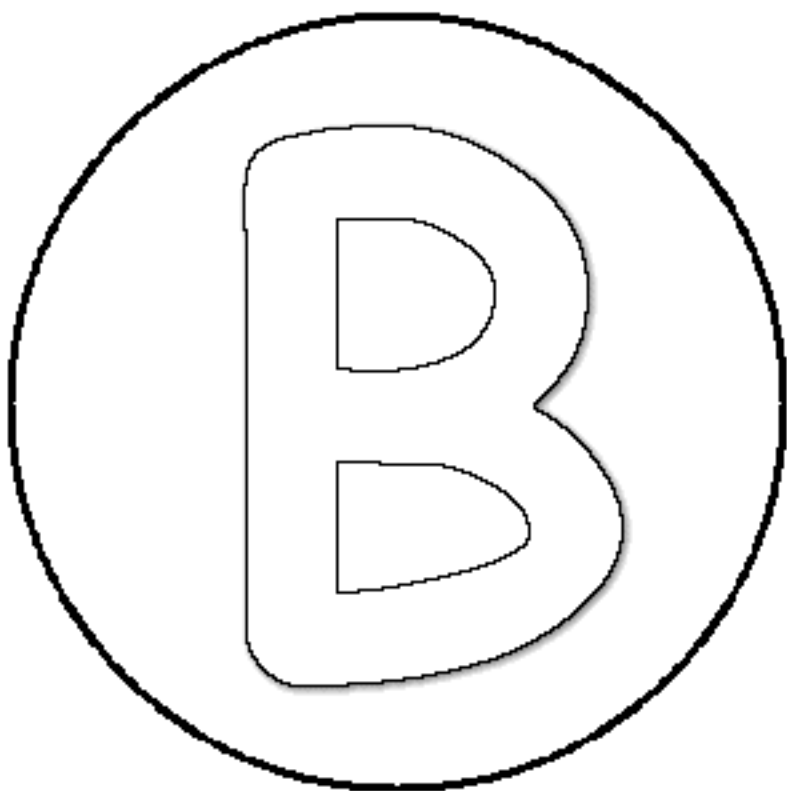

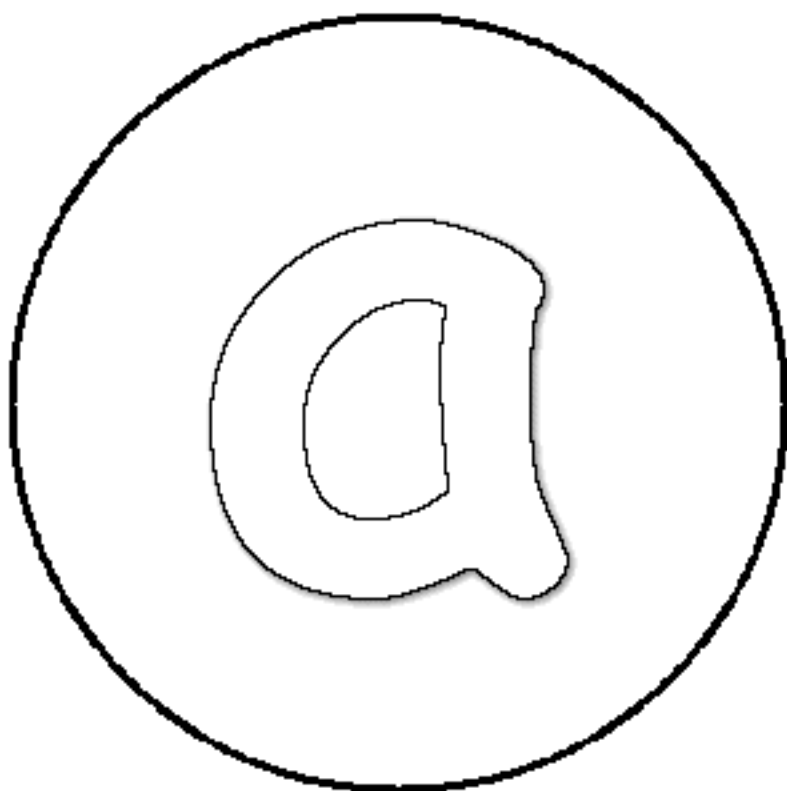

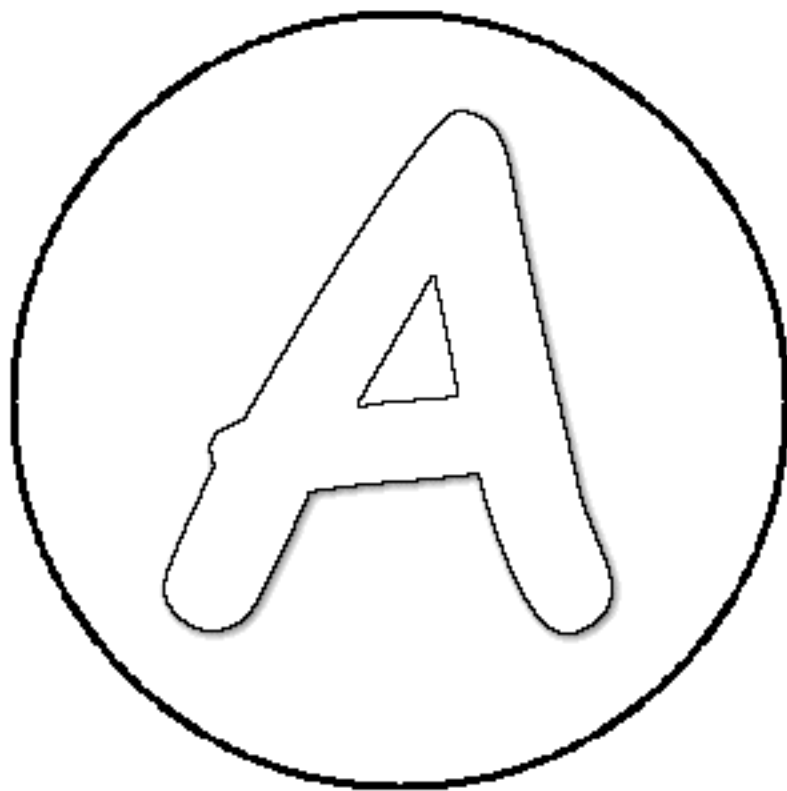

Letter ____, Letter ____, What do you see? (hold letter up)
I see the letter ____ looking at me. (hold this letter up and take previous one down)

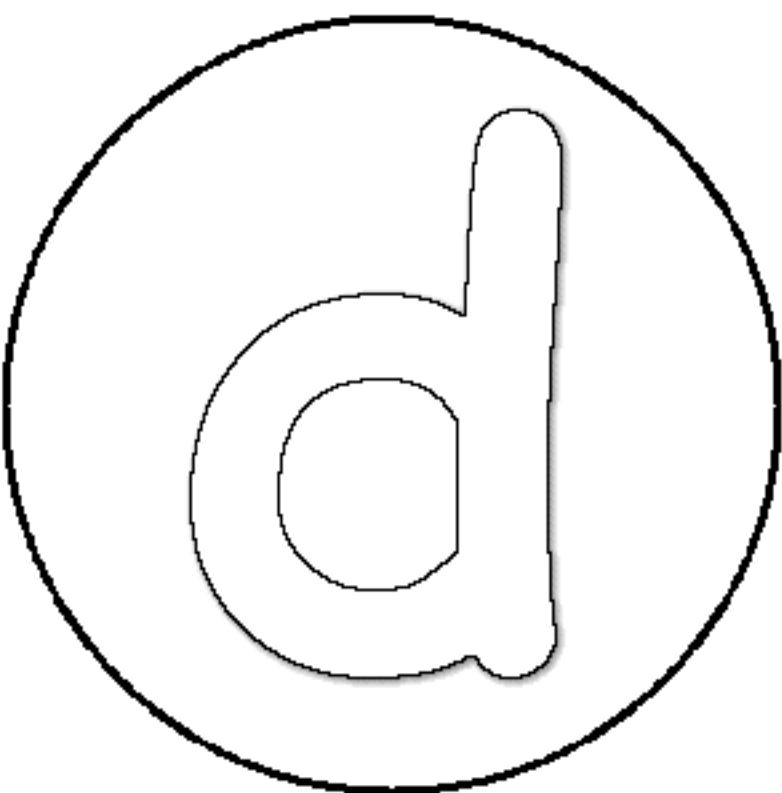

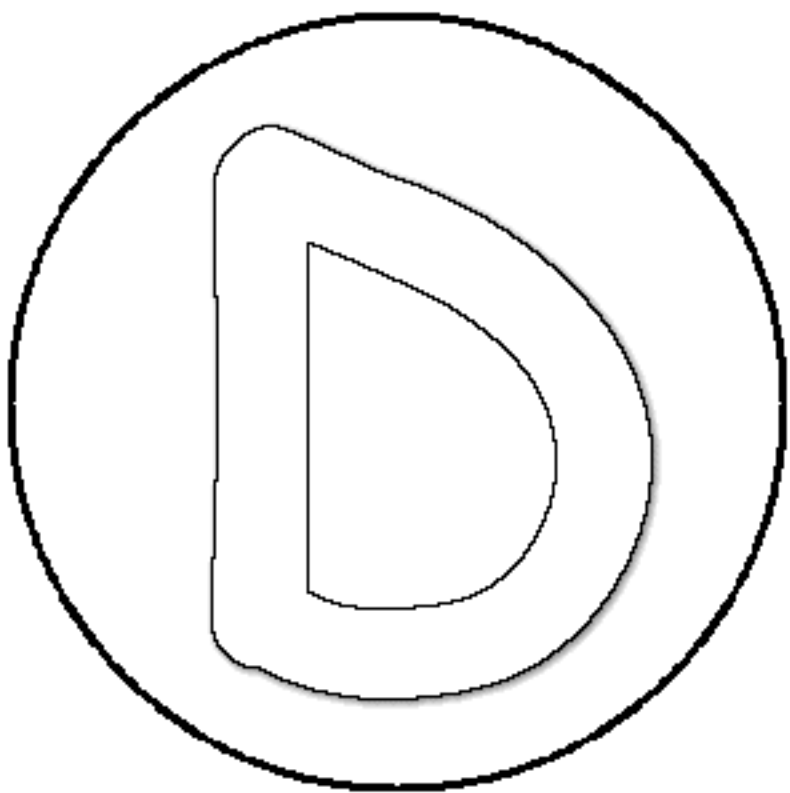

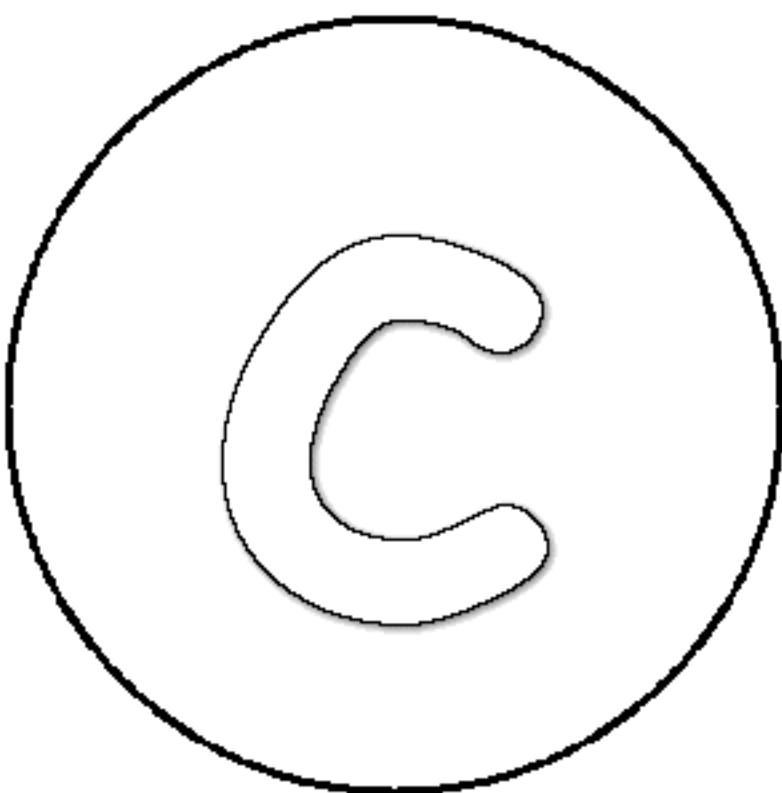

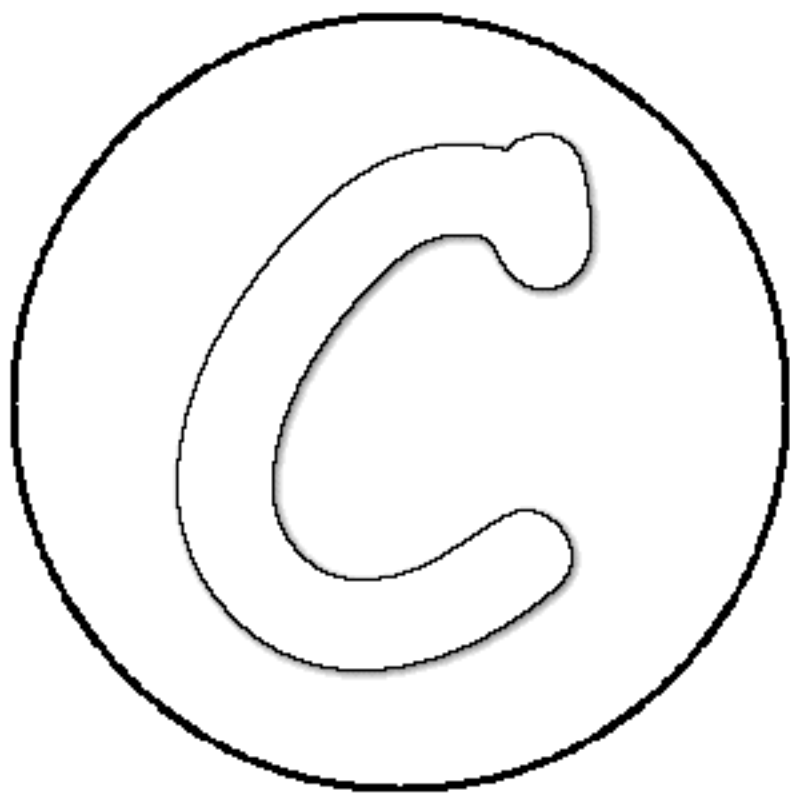

Letter ____, Letter ____, What do you see? (same as above)
I see the letter ____ looking at me. (same as above)

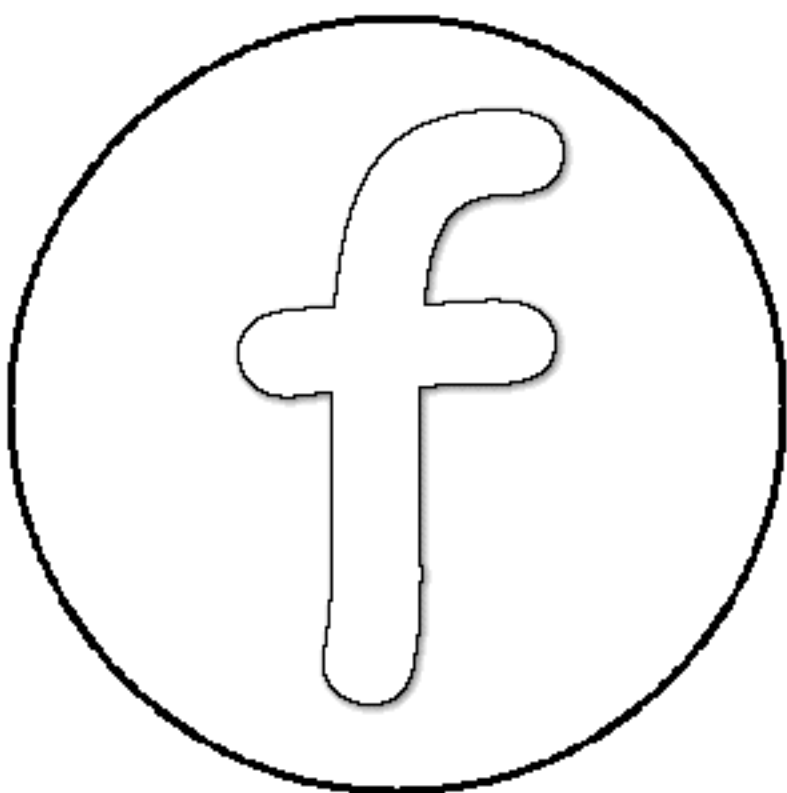

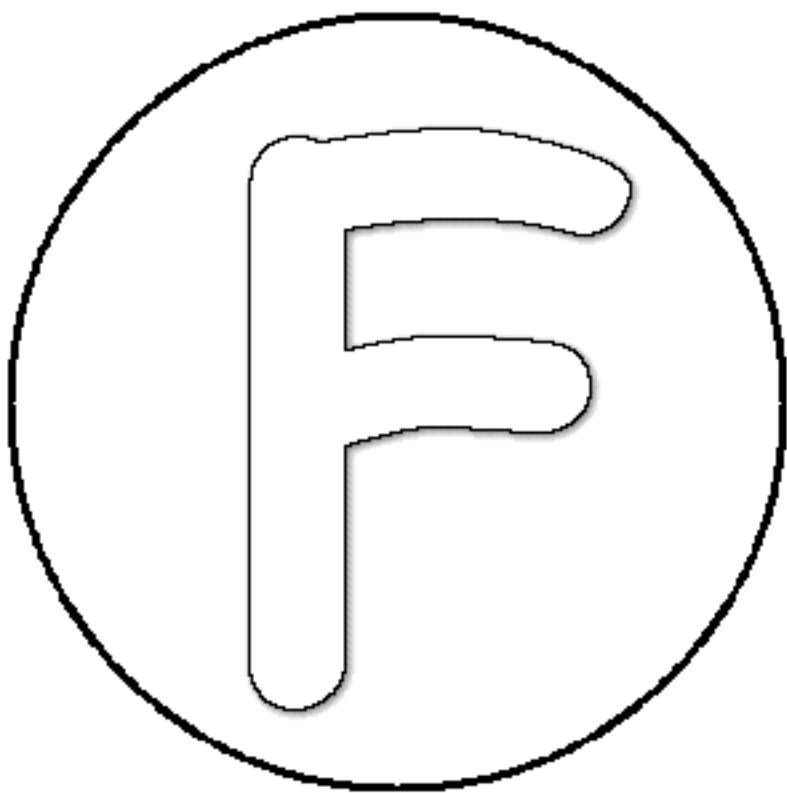

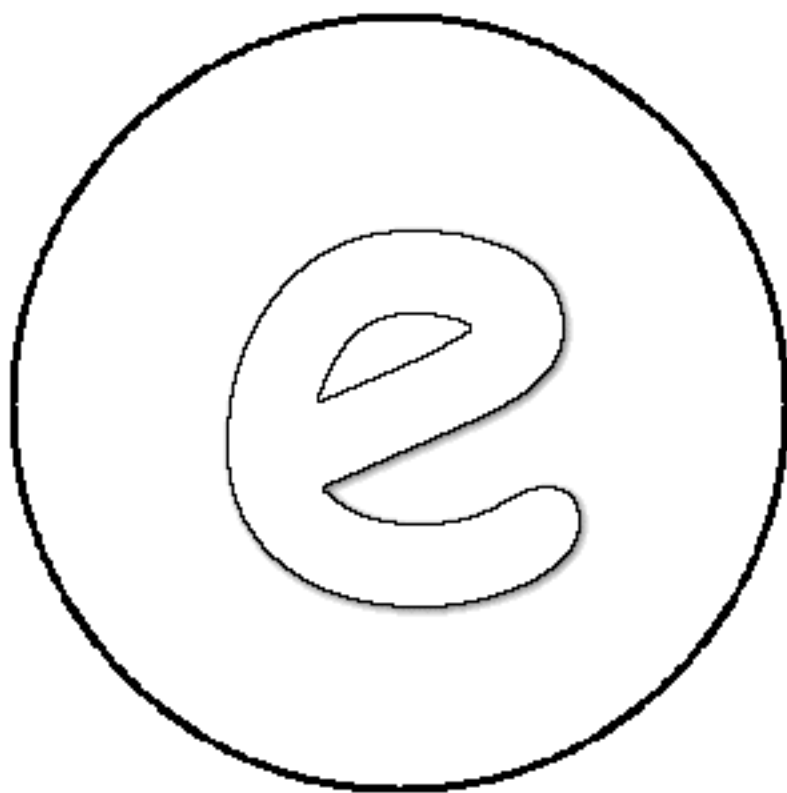

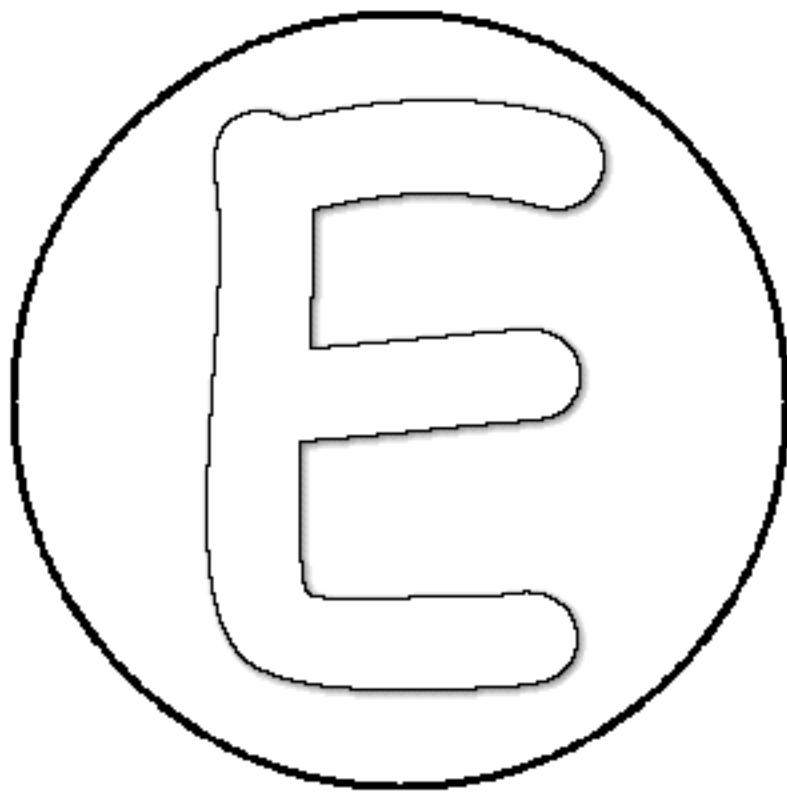

Repeat until you have done all of the letters you have chosen to do.

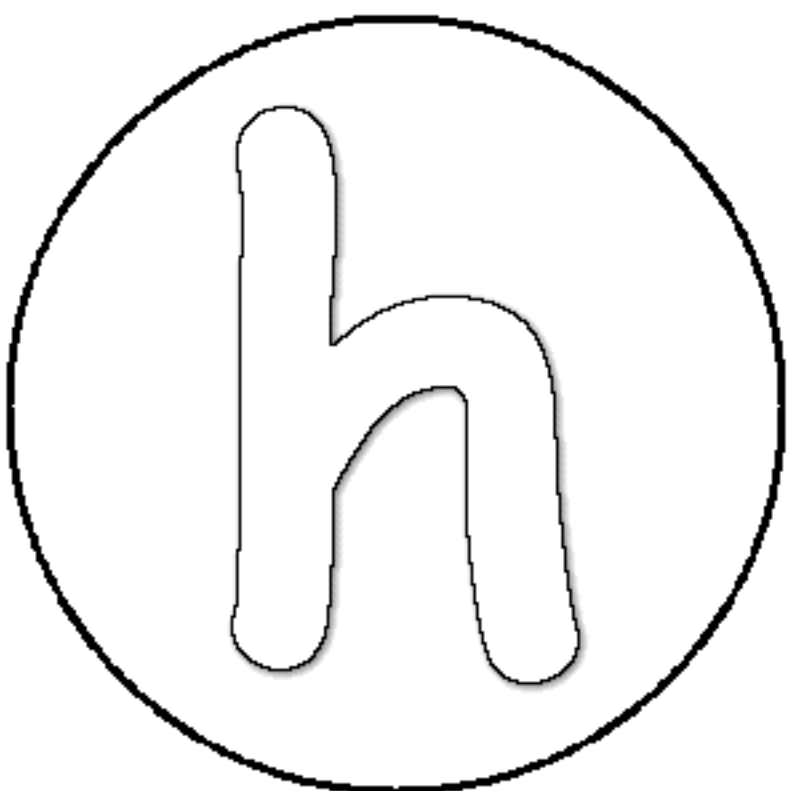

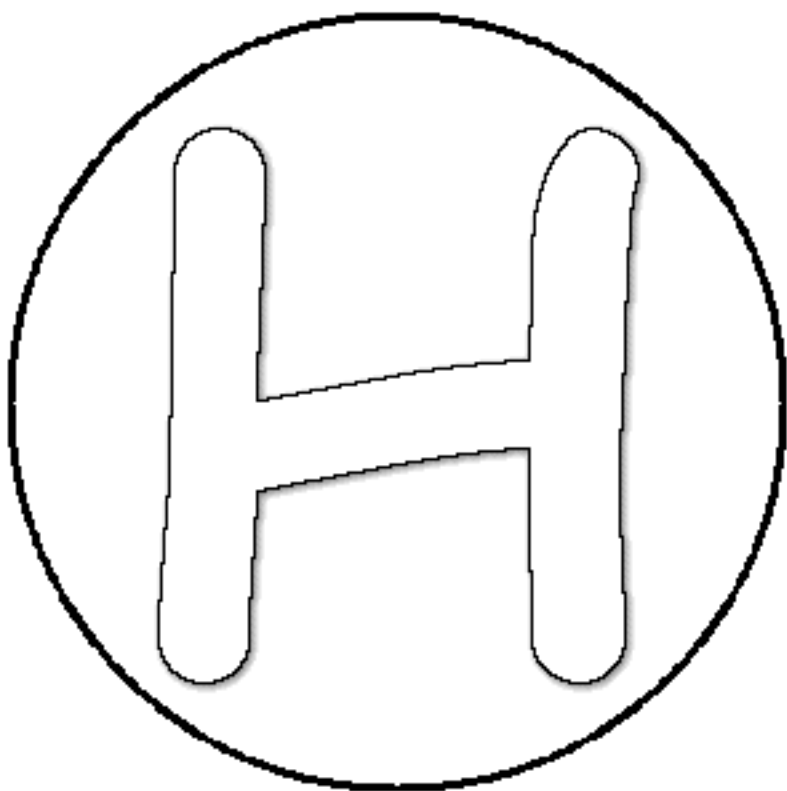

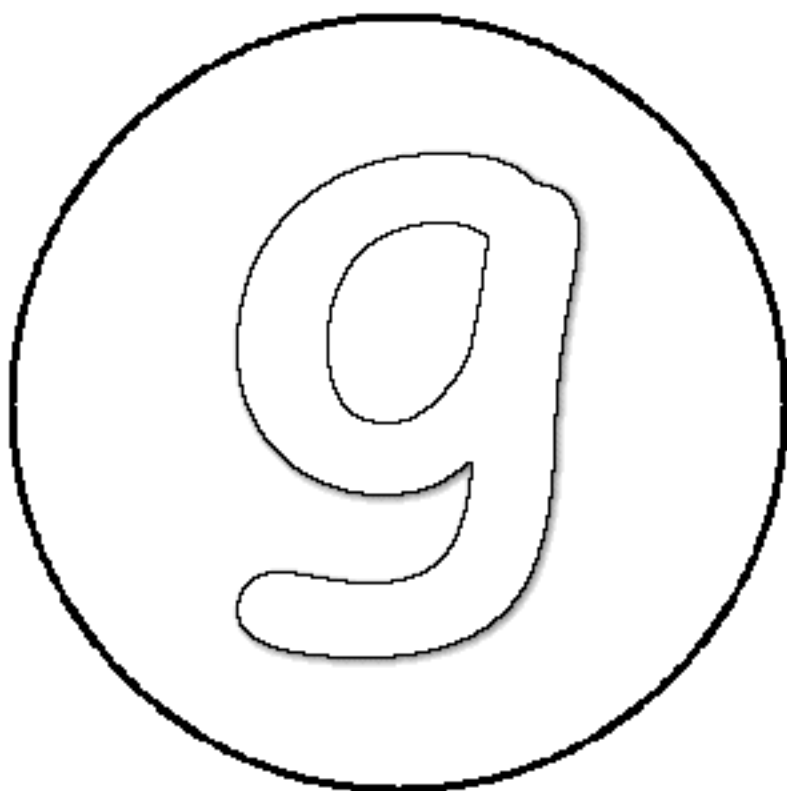

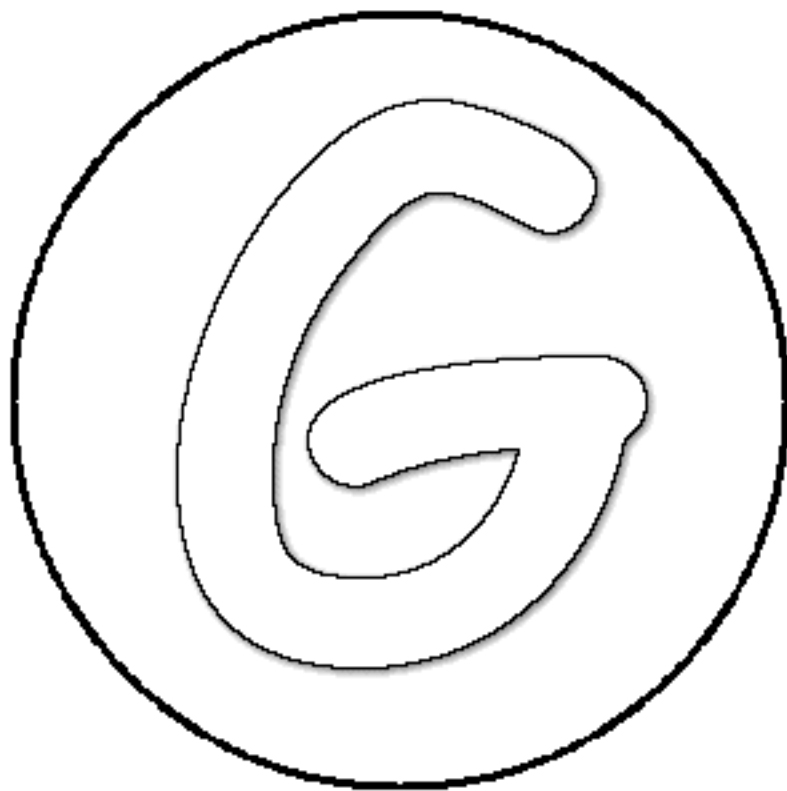

End with:

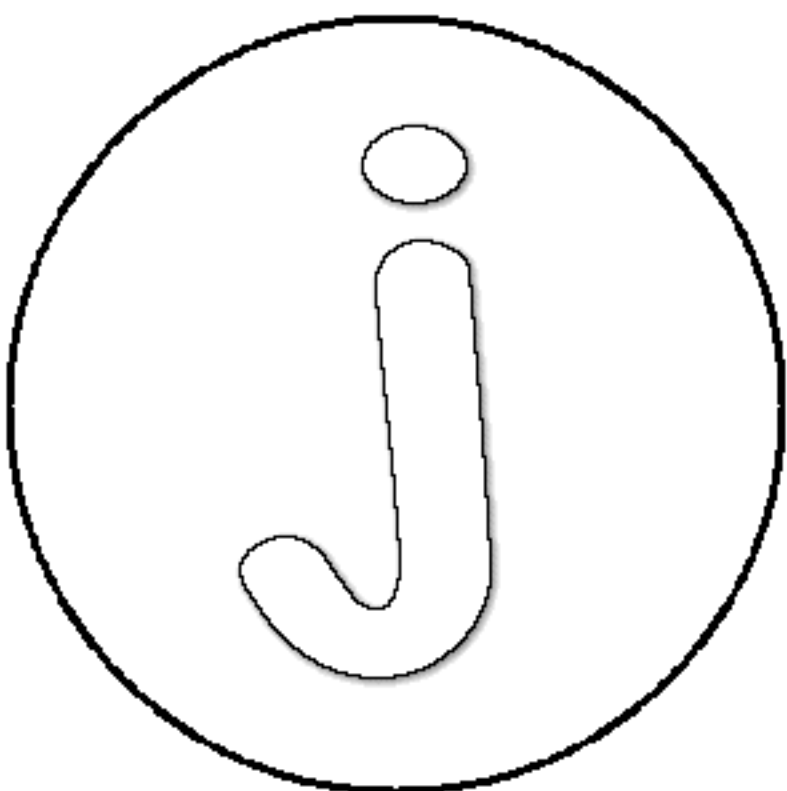

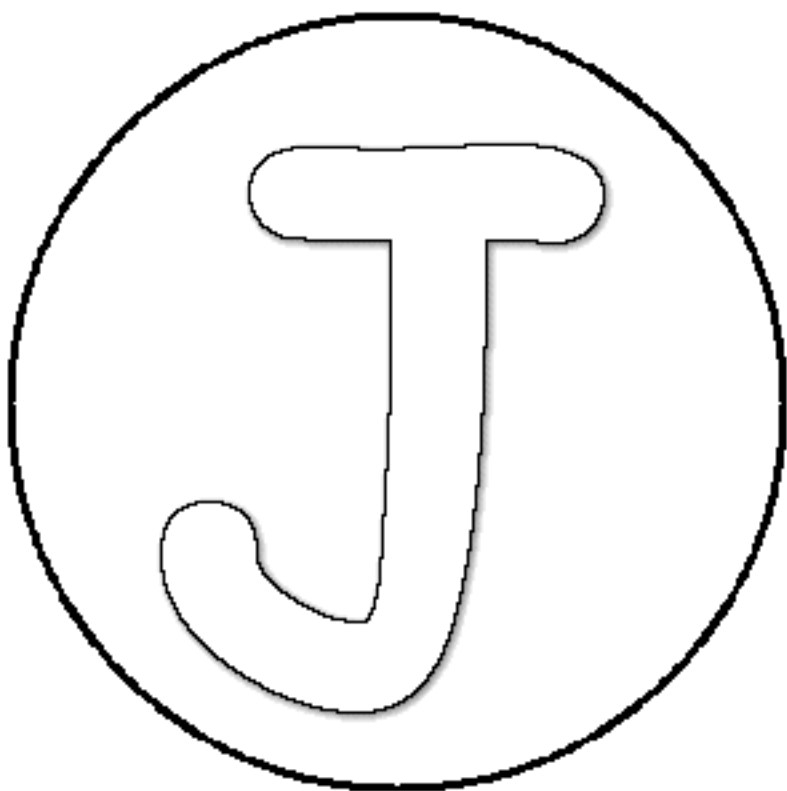

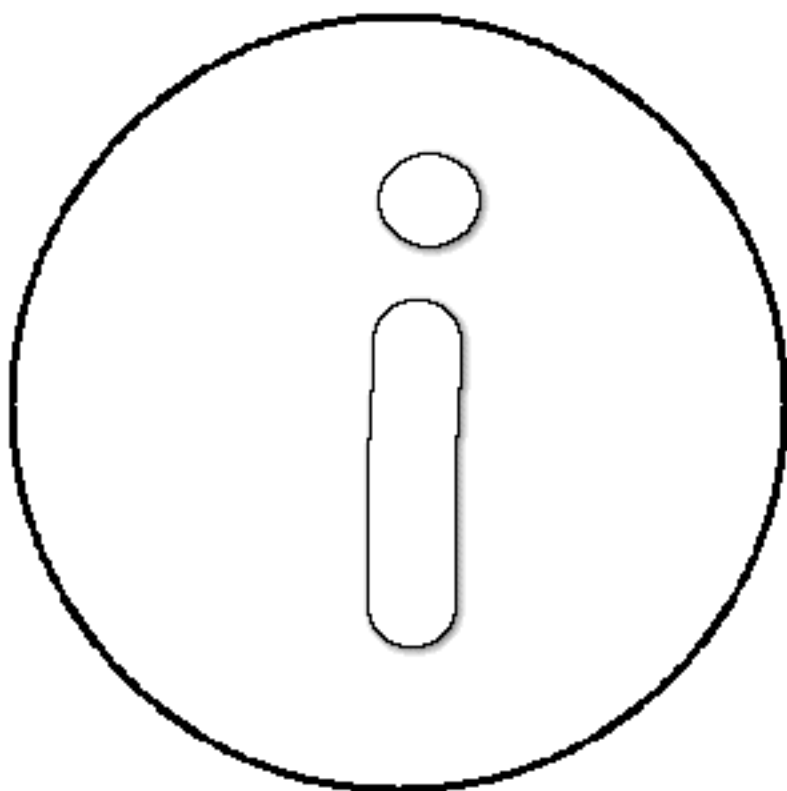

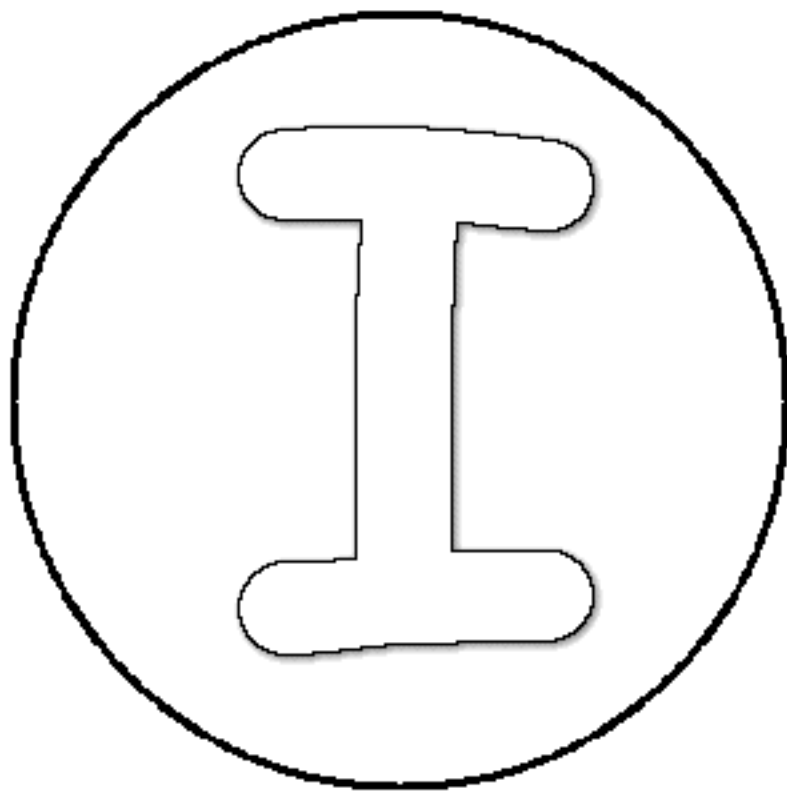

Letter ____, Letter ____, What do you see?
I see all of the letter looking at me!!
