

# We're Looking For Leaves

(tune: The Farmer In The Dell)

We're looking for leaves ...

we're looking for leaves ...

were looking for all of the colorful leaves that have fallen off the trees.

We'll put them in our basket ...

we'll put them in our basket ...

we'll put all of the colorful leaves into our basket.

We're looking for leaves ...

we're looking for leaves ...

were looking for all of the colorful leaves that have fallen off the trees.
