

# Who Took The Flowers From The Flower Garden?

Children sit in a circle and and slap their hands on their legs and then clap until they have a good beat going the teacher starts first and name's the first child. The child that is called would then pick the next child and so on until all children have been called. The last child named would then say "I took the flowers from the flower gardend and they are beautiful!!"

Remind the children that each child is only to be called on once so that everyone has a turn.

Another way to play this game is for everyone to close their eyes and the teacher hides the flower behind a child's back and the other children repeat the song until the person with the flower is chosen. The person with the jelly beans would then place the flower behind a different child's back.
