

Who Took The Fish From The Fishbowl?

Children sit in a circle and and slap their hands on their legs and then clap until they have a good beat going the teacher starts first and name's the first child. The child that is called would then pick the next child and so on until all children have been called. The last child named would then say "I took the fish from the fishbowl and they swam away!!"

Remind the children that each child is only to be called on once so that everyone has a turn.

Who took the fish from the fishbowl? (teacher calls out a name)

_____ took the fish from the fishbowl?

Who me? Yes you! Couldn't be! Then who? (child calls out a name)

_____ took the fish from the fishbowl?

Who me? Yes you! Couldn't be! Then who? (child calls out a name)

_____ took the fish from the fishbowl?

Who me? Yes you! Couldn't be! Then who?

Another way to play this song is for everyone to close their eyes and the teacher hides the fish behind a child's back and the other children repeat the song until the person with the fish is chosen. The person with the fish would then place the fish behind a different child's back.
