

# Owl Roll The Dice Game

Instructions: Print on cardstock paper and laminate. Children roll the dice and use the markers to cover up the number on the owl that matches the number on the dice. This game can be done as a single or multiplayer game. If single player child rolls the dice and the game ends when all numbers are covered on the owl mat. For multi player game each child gets a mat and rolls the dice once and and play continues until one of the player has covered all of the number on the mat.
