Oliver The Owl

Instructions: Print on cardstock paper and cut out. Attach owl pattern to a paint stick. I put a metal paper clip behind the owl and attached self-adhesive magnets to the back of the letter squares. We use Oliver The Owl to review letters at circle time. You can hand the letter squares to the children and tell them that Oliver is looking for letters and then ask for a specific letter and have the child who has the letter bring it up and put it on Oliver. You can also put the letter squares on Oliver yourself and ask the children to help Oliver identify the letters.
